## Meet the Member

**Who are you and how long have you been with the club?**

My name is Alex Hard and I've been with TSCC since 2018.

**Have you held any positions in the club?**

I am the current Club President. Previously I have been the Vice President of Communications and Chief of Media and Merch.

**What are some of the favorite cars you've owned?**

Currently I am in love with my 2005 Lotus Elise, which you'll often see my driving on any sunny day. When I'm not in the Lotus I enjoy driving my Golf R and '72 Ford F250. I really do miss my Foxbody Mustang and hope to get another someday soon.

**Do you have a fun story from the club you want a share?**

To me, nothing beats the morning of an HPDE we are hosting. Getting up extra early in the crisp morning air to prepare for a long, fun day at the track is second to none. It's the only quiet you get before the thunder of cars starts.

**What do you like to do outside of TSCC?**

While TSCC consumes most of my waking hours I enjoy taking photos and looking at cars I cannot afford online.

## Submit Your Stories, Pictures, and More!

We are happy to be reviving a lost part of TSCC— our newsletter The Steering Column. This is just the start, and we need your help to grow the content we share! Please send us stories, pictures, editorials, columns, or offer to be interviewed for future issues. You can email those or reach out to us at: [communications@tidewatersportscarclub.com](mailto:communications@tidewatersportscarclub.com)
